To Whom It May Concern:

Re: Persistent Organic Pollutants in Alpha Wire Products

The Products of Alpha Wire in all colors and put-ups, do not contain any Persistent Organic Pollutants (POPs), per Regulation (EU) 2019/1021 of the European Parliament and of the Council of 20 June 2019.

The information provided in this Product Disclosure, and the identification of materials listed as reportable or restricted within the Product Disclosure, is correct to the best of the knowledge of Alpha Wire, information and belief at the date of its publication. The information provided in the Product Disclosure is designed only as a general guide for the safe handling, storage, and any other operation of the product itself or the one that it becomes a part of. This Product Disclosure is not to be considered a warranty or quality specification. Regulatory information is for guidance purposes only. Product users are responsible for determining the applicability of legislation and regulations based on their individual usage of the product.

Please let me know if there are any further questions

Sincerely,

---
